Club Welcome or Invitation

Pictures and captions

Introduction Video

### **Club News**

Club Projects and Descriptions and pictures

How to contact the club

### **Club Events**

Upcoming events and corresponding flyers

How to RSVP

Purchase tickets online

The District website uses [www.regfox.com](http://www.regfox.com). You can design the form and collect the costs. You provide bank account info for direct deposit of collected money or set it up to register and then mail a check. They do charge 0.99 per registration and 2.99% of total for credit card charge. Your registration form can be tailored to collect the fees.

The club pages belong to the club so whatever you want on your page – goes on your page.

Click the “I – information” button on the club page under “The West Valley” for an example of a club page.
