Reaching Out
Altrusa International Convention
July 17-20, 2019
Reno, NV
President’s Message

Welcome to our Reno Call to Convention publication. We have included a preview of information you need to know for planning to come to Convention in Reno. After having visited the Grand Sierra Resort in November to complete our Convention planning, I will admit to having been extremely impressed with the venue. There is so much to do at the property with something for all – you could bring the whole family. The Convention facilities themselves are excellent with business, banquet and workshop rooms all close to each other so everything is nice and compact. I am excited about the program we have planned and that we have been able to incorporate many of the things that members have requested. We really have been listening to the feedback and we have been making some changes to the way we have structured Convention and how we are planning, promoting and will be conducting the event.

- Promotion - You will see a lot more advanced promotion of the Convention as requested, starting with this call to Convention and then after the International Altrusan in April 2019 there will be special Pre-Convention Newsletters for registrants and First Timers Information packs. We will have lots more information also readily available on the International website.

- Timing – We have shifted the timing of Convention so we start on Wednesday and finish on Saturday which means you can choose to make a week of it by coming a little early and exploring Reno and surrounding areas and on the Sunday after Convention concludes you can travel home ready for the next work week.

- Activities – We have built a program that includes fun activities, inspirational key note speakers, over 40 workshops (including repeats just in case you can’t make it to the first offering), opportunities to network and share ideas with a Conversation Café event, and a chance to explore Reno and Tahoe. We are also offering a pre-convention tour and a partner’s program.

- Value for Money - we have kept registration fees down as low as we can and have included more meal events. You will be eating almost 80% of your registration fee in the form of three dinners, 4 lunches, and 2 breakfasts. The Grand Sierra Resort is providing us with an excellent rate for accommodation rooms which includes the resort fee and there is so much to do right on site at the resort.

So, check out all the information in this Call to Convention and plan to come to Reno.

See you there!

Leanne Milligan
International President

### Trying Something New

As we move into our second century of service, we thought we might try something new with Convention. We will try “going paperless” or at least partially paperless.

With our new website being mobile device friendly and along a desire to reduce our effect on the environment by cutting down a few less trees we are going to take the first step in going paperless in Reno. Not only is it good for the environment, it’s good for you pockets as well as it helps us keep registration fees as low as possible. As we make changes, we will make sure we inform you well in advance.

By Ilona Kerby, Past International President

It’s always an adventure traveling to Altrusa International Convention! With the Wild West as your destination you are sure to have many tales to tell of the road to convention. If you’d rather leave the driving to someone else Amtrak will bring you through plenty of scenic country no matter where you begin your journey. You can sit back, read a book, take photos of the sights flashing by, enjoy a drink, a meal and chat with your seat mates.

New Take on Workshops

We are offering more workshops than ever before and with a new take. Each stream of workshops will be based around key Altrusa areas; e.g. Membership, Service, Leadership, Communication, ASTRA, Foundation, etc. Within these areas we will offer focused presentations that will promote the initiatives planned for strengthening Altrusa in the next biennium. With 10 options in each stream there will be plenty of choices (including non-Altrusa topics) and we have four Program workshop streams planned – one on each day. Added to this on the Wednesday of convention we have special leadership workshops for our Governor Elects, District Treasurers and District Secretaries, as well as a selection of other workshops for members to choose from. We will be providing lots of opportunities to learn and share while in Reno.

Idea Sharing Café

One of the best things about Convention is meeting up with members from clubs around the world and sharing ideas. We will be holding a special café (lunch is included in your registration fee for this event) on the Wednesday of Convention. Like regular cafés you will be able to choose various topics to share ideas on as you move from table to table. A great way to network and get to know other like-minded Altrusans while gathering ideas to take back to your own club. Don’t miss out.

Leading to a Better Community

On Thursday of Convention we will be taking a break from business and workshops and participating in active community service. There will be opportunities to participate in active service both on-site and off-site as we reach out into the Reno community and make a difference. We have been working with affiliate members of the new club being built in Reno/Sparks to set up opportunities for Altrusans to unite and assist community organizations in the surrounding area.
Thursday Night Awards Dinner - “Come as a Song”  
By “Mustang Sally” aka Denice Gilb

“People”, “Start spreading the news”, if you feel like you “Shoulda been a Cowboy” or a “Satin Doll” be sure to come to the Awards Banquet Thursday night. This night will be “Unforgettable” as Altrusans from all over the world come dressed as their favorite song title. So, all you “Dancing Queen” out there, you will hear “The Sound of Music” as you put on your “Blue Suede Shoes”. “Walk like an Egyptian” straight to a “Fun, Fun, Fun” night to “Celebrate” the Award participants and winners. “The Best is Yet to Come”!

Convention Exhibit and Sales Tables Available
Tables will be available for those clubs who would like to display club exhibits and/or share fundraising projects at the Reno Convention July 17 – 20, 2019. The theme for the exhibits is “Reaching Out in Service” and should feature club service projects. You will have room for a “science fair” display board. There is no cost for an exhibit table. However, if you would like to sell items to help your causes, there will be a $25/table charge. The dimensions of the tables are 8ft x 30in, draping is included.

Please note - International Staff will not be able to assist in watching your items. Please make arrangements with members of your Club or District to assist in this area if needed.
Setup can begin on July 16th, and all tables must be cleared by noon on July 20th.

If you are interested please send the following information to altrusa@altrusa.org:
- Name
- Club name
- Is it an exhibit or sales table?

Deadline for payments is June 30, 2019, you may submit a check via mail or call 312-427-4410 to submit a payment using a credit/debit card. We will create a list of request in the order in which they are received and will fill on a first come first serve basis. We will do our best to accommodate all requests.

Dessert Dash for Days for Girls
To top off our Awards Dinner event we will be organizing a Dessert Dash raising funds for Days for Girls. A Dessert Dash works like this.....members at each table make a donation into a envelope for their table. Donations are tallied and the table that makes the highest donation goes first. Each table number is called up in order of the total donation made. A representative from that table will “Dash” to the desserts display and select their chosen dessert and bring it back to their table. The first “Dasher” has the greatest amount of choice of course with less and less choice as tables are called (there is only a 10 second break between each table being called so pick your fastest runner). The Grand Sierra team are having a great time coming up with a wide variety of dessert trays to choose from. Get ready to donate and dash for Days for Girls.
